DO YOU REALI

That we have the finest equipped store and market in the State of Nevada?

That we are the only store in Tonopah that is not operating

That our purchases are so large that wholesale houses make us special prices much lower than the smaller retailer pays?

That our operating expense is lower than that of any institution of its kind in the State of Nevada?

That we handled more straight carloads of canned goods and milk last year than all the rest of the stores in Tonopah put together?

That our sales for 1920 were over one-half million dollars?
